To all our Students,

Thank you for choosing to support Kaminski's ATA and our upcoming tournament by gathering sponsorships. Our goal for this tournament is to be remembered by its great quality and excellent hospitality, and we need YOU to help us accomplish that. All of the money raised from your sponsorships goes to make a high-quality tournament. These sponsorships make it possible to provide medals for each student, souvenir t-shirts, along with the use of the beautiful facility at North Catholic High School.

Because we can't put on such a big event without you, we want to give back to all of you that make this possible for us. This means you could earn your ENTIRE tournament for FREE through sponsorships. Each student that gets a ring sponsorship, you will earn up to Four Events (Forms, Weapons, Combat, & Sparring) at our tournament!

The tournament experience is much more than just another Taekwondo event. Kaminski's ATA supports tournaments because our instructors, staff, parents and students see the impact they have on competitors of all ages. Tournaments give competitors experience in public performance, a skill that most adults still struggle with, the opportunity to learn good sportsmanship in the face of a win or a loss, and the ability to measure personal skills against students from across the country in a safe and friendly environment. Unlike martial arts tournaments in movies, the #1 goal in ATA tournaments is the safety of the student, so you can be confident that your child will have the safest experience possible.

So how do you go about raising money and getting businesses and/or people to sponsor you? It's easy. We have included a business letter that explains what you are raising money for, how a business can help, and how this tournament can help their business.

All you have to do is go to people, businesses and/or networks that may be interested in supporting your participation in a tournament such as family members, coaches, teachers, friends, coworkers, neighbors, family vets, restaurants, etc. You may find it helpful to give them the business letter provided explains more about their options for sponsoring. Have them fill out the bottom of the business letter with payment and return it to us by September 14th. Checks may be made payable to Kaminski's ATA Martial Arts Academy. Payment by credit card is also available.

Our Instructors and staff would again like to sincerely thank you for the opportunity to host our own tournament! We expect that all of you will take advantage of this opportunity to show off your skills and hospitality also. Good luck at our upcoming tournament and good luck with raising money for our team! Any questions, please call (412) 492-9998.

Sincerely,

Staff & Instructors at Kaminski's ATA Martial Arts Academy

Kaminski's ATA Martial Arts Academy will be hosting the Steel City Songahm Classic on September 28th, 2019 at North Catholic High School. This regional taekwondo competition is part of the largest Martial Arts Organization in the world and are open to over 1500 ATA Martial Arts Academies throughout the country. Our last event had approximately 800 competitors and many more spectators' and visitors to the area looking for things to do, places to eat, and areas to shop.

These regional competitions not only help bring business to the area, but also bring many benefits to the competitors of all ages. Tournaments give competitors experience in public performance, a skill that most adults still struggle with, and the opportunity to learn good sportsmanship in the face of a win or a loss, and the ability to measure personal skills against students from across the country in a safe and friendly environment. Unlike Martial Arts Tournaments shown in movies, the #1 goal in ATA Tournaments is the safety of the students, so you can be confident that your child will have the safest experience possible.

In order to host an event as large as this, it takes help and teamwork from the entire community. Your sponsorship will help provide competitors with the safest facility, best staff, and memorable awards. Kaminski's ATA Martial Arts Academy would love to partner with you to make this event and future events possible for the Pittsburgh area. Below are different ways you can help.
